DECORATIONS

We invite everyone, young and old, to join in the holiday fun! Make a homemade Christmas ornament at home and bring it to the library to hang on our Christmas tree. Whether it's simple, sparkly, silly, or sentimental, we'd love to see your creativity help make our tree extra special!

While you're here, take a look around at all our festive Christmas decorations! A huge shoutout to our wonderful decorating volunteers who helped transform the library into a holiday wonderland. We couldn't have done it without you!
