## Winter Weather Policy Reminder:

Safety is very important. Generally we will close the library if the public schools in the area close. Sometimes we will close even when schools have remained open if it is predicted to become unsafe during the late afternoon/evening.

In the event of inclement weather, closings will be posted on our Brandon Library Facebook page, so make sure we are “friends”. (our Facebook name is “Brandon Library”).

Of course, always use your common sense as well...if the roads seem unsafe — stay home. We don't want staff or patrons in any unsafe conditions.

The Library's Second Story is a volunteer run program to serve as a place for kids to hang out while keeping the library quiet and resources available to use.

Would you be interested in signing your child up for a cooking class during the 3:30—5:00 pm time? We are looking into expanding the program offsite (local church) IF there is an interest. Please let the library know.
