### Library Squabble

**July 13 - August 13**

### NEW Library Facebook Challenge

We're baaack! We are putting on a game show spinning off of the famous Family Feud and we're calling it "Library Squabble", which runs from July 13 to August 13.

**DETAILS:**

- On Monday, we'll post three rounds of questions on Facebook. You can print off and fill in the blanks with your guesses. Be sure to give us your answers by noon on Thursday.
- Then, at 3:00 PM on Thursday, you'll need to tune into our Facebook LIVE as we will announce the answers and pin the top teams against each other. Keep in mind you can participate as a one player team.

**DISCLAIMER:** To make this fun and fair, by playing with us, you are agreeing that you will not try to Google any answers. We want the answers that come to mind and you have 3.5 days to think it over.

New books and DVDs, check out our catalog or be sure to stop in when the doors open. Each month we highlight our new material in our emailed newsletter. If you're not receiving our eNewsletter, sign up on our website or let us know. [www.brandonlibrary.net](http://www.brandonlibrary.net) or (920)346-2350
