## EXPANSION NEWS:

Plans to expand and upgrade our 19<sup>th</sup> century library began several years ago. Designs were drawn, the adjoining alley area was purchased and campaign efforts to raise the necessary funds were crafted. Covid-19 forced plans to come to a halt until the fall of 2020 when campaign preparations resumed. Shortly after, a second pause was taken due to the Brandon Middle School issue. Neither delay has stopped our efforts as we are preparing to resume our efforts as soon as possible!

Now more than ever, we are certain the Brandon Public Library must provide our community with a much-needed 21<sup>st</sup> century facility. We are certain our community is ready to help us preserve this treasure for generations to come.

Campaign efforts will be shared through the library's monthly e-newsletters as well as through this monthly Village news. Thank you to the community for the support we have received already.

State and Federal Tax Forms available at the Library

## MARCH

### “AMONG US” GROUP PLAY

March 11 & 25 from 4:00-4:30 pm  
get ready for a **multi-library**  
“Among Us” competition  
with prizes!

Library in-person is limited to 7 people, the library has 5 devices to play on, otherwise bring your own device or play from home with the room code. Sign up is REQUIRED with the library then you'll receive more information.

## APRIL

### KEVA Planks:

They're perfectly cut, identical construction blocks that build a foundation for math, as well as art, science, and engineering. No matter the skill level, KEVA planks can be enjoyed by everyone. No device is required for KEVA planks.

We're going to have open play and challenges in April!

## MAY

### Craft Days:

With Cinco de Mayo, Mother's Day & Memorial Day, we're going to be holding some “craft days” in May for all ages.

Supplies will be available for make-and-take crafts, as well.
