

Brandon Public Library

Meet the Staff:

Christy Ross, Director

Christy has just celebrated her 12th anniversary as being the director of the Brandon Public Library. Christy loves the small town feel and is very enthusiastic about the library. She is here to help and assist anyone. She loves to get recommendations for programs or library materials, so please stop in to share what you would like to see at the library and...to meet the staff.

Nic Mattheis

You will typically find Nic at the library on Tuesdays. He is joining us with a tech background. Nic is learning fast and as soon as he knows all the library computer system and jargon, he will be the "go-to tech" person to help you out with any of your needs.

Bertie Ryskoski

You will typically find Bertie at the library on Thursdays. She is a retired school teacher and has family history at the Brandon Library as her Grandmother was a librarian and her mother was the Library Board President for many years, it's in her blood and she fits in perfectly.

Pearl Schicker

Pearl started out being a substitute librarian, but filled in as our Saturday person since 2016. Stop in Saturday mornings to read the newspaper, grab a cup of coffee and chat with Pearl.
