RESPONSIBILITY: The user group will be responsible for any and all damage to the Village's premises, equipment and property. If, after an activity, additional maintenance is required (in excess of normal cleaning services/time), the user group will be charged accordingly. The user group will be held responsible for all actions, behavior and damages caused by his/her guest/attendees. The village has the right to revoke any permit(s) issued due to the group causing damage to the park, inappropriate behavior, not abiding by the rules & regulations.

PUBLIC PLACE: Thank you for considering the use of a Village of Brandon park shelter for your event. The village staff is dedicated to helping you have an experience that meets your expectations in this natural setting. At the same time, it should be noted that the village parks are a public place. This means that a variety of other events — such as parties, family reunions, baseball/softball games, etc. — may be taking place nearby in the park at the time of your event. This is in keeping with the village's goal to make park areas available and accessible to the public. It means that having a reservation may not guarantee parking next to the facility being rented. During your event you may also be aware of the presence of others who are meeting nearby. The Village of Brandon is a beautiful area that has much to offer. We are glad you are making plans to enjoy it, and we appreciate your understanding.

USE AGREEMENT: I agree to abide by the rules governing the use of the Village of Brandon park facilities set forth above and agree to be responsible for any damages done to the park shelter(s) by my group as determined by the public works staff. The Village of Brandon maintains the right and authority to amend or cancel this permit at any time should the applicant fail to abide by conditions agreed to or if public safety and welfare so dictate. These documents represent department policy pertaining to day-to-day administration and management of public park grounds and facilities to ensure the enjoyment and safety of our visitors.

Violation of any park rules & regulations is grounds for eviction and possible criminal charges. Anyone who is evicted is not entitled to a refund.
