ANOTHER SUMMER READING PROGRAM IS IN THE BOOKS

By Elementary Librarian Pamela Mumm and
Brandon Public Librarian Christy Ross

With over 65 kids registered and over 100 folks in participation at a movie event in July, our collaborative summer reading program was a success!

Families enjoyed fun at the public and school libraries all summer long through a variety of programs and activities including outdoor story times, tie-dye, Lego construction, exploring technology through flying drones and playing with and building robots, getting crafty with chia planters, and an outdoor movie event.

Throughout the summer, kids earned dozens of prizes such as water bottle stickers, earbuds, robots, games, sports equipment, books, pop tubes, water balloons, and more!

We would not have been able to have such a great program without the generous support of our community! Thank you for in-kind and cash donations from several individuals and families as well as the Friends of the Brandon Public Library, the RBSD food service, Laconia Locker, L-Club, Garden Scents Everlasting of Brandon, Alexandria Games of Ripon, Sweet & Saulty's of Ripon, Pizza Hut, and McDonald's of Ripon.
