

Brandon Public Library: Digital Footprint

Libby App: to borrow ebooks, audiobooks, magazines & more.

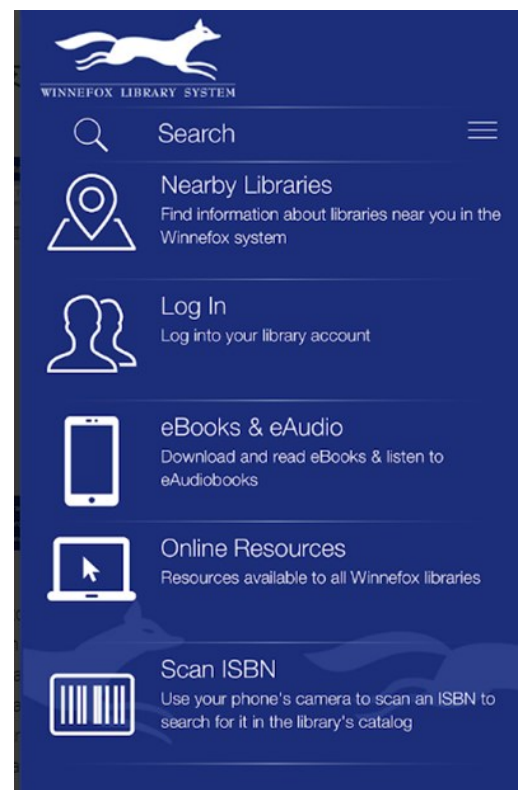

Libby.
The library reading app

Winnefox App: to access the Library catalog, place holds & manage your account.

Winnefox Mobile is an app available from your app store. Download it to easily search the library's catalog, place holds, and check your library account.

You can download the app for free from Google Play (Android) or the App Store (iOS). You'll need your library card and PIN for activation. You have the library in your reach 24/7.

Along our many books we have for checkout, the Brandon Public Library is linked to 29 other libraries and their resources. In-house, we have DVDs, magazines, books on audio, and music CDs available for checkout. We have a unique collection including, Wifi Hotspots, Roku, and Watt Meters. We have access to many items, if you can't find it here. If the 29 other libraries don't have it either, we will search outside our system to find what you need. Stop in to discover a library like never before.
