- **Monthly e-newsletters:** Sign up to receive the monthly emailed newsletters by visiting [brandonlibrary.net/newsletter](http://brandonlibrary.net/newsletter)
- Friend us on **Facebook:** We are **Brandon Library**
- Visit us on the web at [www.brandonlibrary.net](http://www.brandonlibrary.net)
- **Or stop in any time—**  
117 E. Main St. | Brandon, WI 53919

Make sure it's us, here's our Facebook profile picture

## EXPANSION UPDATE:

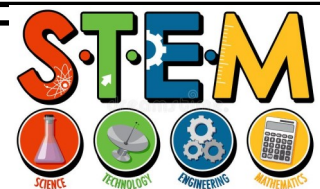

The Otto Bremmer grant we had sought to match \$25,000 has met the match, so a huge shoutout to all the supporters. That grant was part of \$125,000 (\$100,000 paid out at groundbreaking and \$25,000 was a \$1-for-\$1 match). A request for project extension was just requested, as the groundbreaking has been delayed with the Senator Tammy Baldwin Federal Grant announcement of \$473,000. Right now, we are working on the checklist of guidelines that need to be followed for the federal money. Once complete, the project will go out for bid right away. Construction probably won't start until 2024.

Brandon Public Library and the Rosendale-Brandon School District are teaming up for the Summer Reading Program.

Expect more fun, prizes, and events this summer!

Stay tuned for programs, prizes and more details!

The library is making STEM kits for checkout! 3 were donated by the Friends Group and 2 are a donation from the Brandon Tanagers 4H Club. Expect to see: *GPS & Maps, Wind Power Farms, Circuits, Chicken Anatomy, and Astronomy.*
