GIVING TUESDAY

We're doing something different this year. We are seeking funds for any extra giving to go strictly towards library materials. Help us update our shelves. Any money donated to the library for our Giving Tuesday campaign will allow us to purchase additional books and DVDs for all ages in the 2024 year! Thank you in advance for your consideration and support.

EXPANSION UPDATE

The Federal grant we received from the Senate last December, which was announced by Senator Tammy Baldwin, had been given to the USDA to designate in March. Since then, some hard working volunteers and I have been on the phone and turning in documents needed. Just when it seemed we were making headway, there has been miscommunication and more work that needs to be done. Know we are trying our hardest to not only get this done, but also expedited. Please continue with your patience and pray we get permission to put our project out for bid this year.
