

Library Hours:

Mon—Thurs: Noon—6 PM || Fri: Noon—5 PM || Sat: 9 AM—Noon

Winter Weather Policy:

Safety is very important. Per our policy, we will close the library if the public schools in the area close. Sometimes we will close even when schools have remained open if it is predicted to become unsafe during the late afternoon/evening.

We will announce if we close on Facebook, so make sure we are friends (our Facebook name is “Brandon Library”).

Of course, always use your common sense as well...if the roads seem unsafe — stay home. We don't want staff or patrons in any unsafe conditions.

Movie Night

Movie nights are back!! Join us on Friday, January 19 at 5:30 PM in the Bethel Reformed Church basement. Our first feature is not actually a movie, but a series premiere. Get ready for Percy Jackson and the Olympians. A new Disney+ original series based off the popular book series by Rick Riordan. If you haven't, you still have time to check out and read the book first. Then, if you're liking the series, but don't have Disney+, no fret, the Library is here for you. Check out our Roku Devices with paid subscriptions to Disney+, Netflix, AppleTV+, HBOMax, and more.

Expansion Update

We are closer than ever to put our project out for bid. Since getting notified of a major grant, announced from Senator Tammy Baldwin's office last December, the money was transferred to the USDA. There has been hoops to jump through and red tape to cut, but our blueprints have been approved. Next our bid package has to be approved, then we'll open it up for bids again. We are pushing and trying our hardest to have this done in January. Shoutout to all the volunteers who put their time put into this project, but major shoutout to Verlyn Rebelein for seeking out this grant, writing the application, and following through with the many steps needed for approval.
