## HOURS:

Fri: Noon—5PM

## WE WANT TO HEAR FROM YOU!

### TELL US YOUR LIBRARY STORY

On March 27, 2024, the Library will have had its doors open for 111 years, as it was first established in 1913.

We are making a video and want to hear from you - **What makes the Brandon Public Library special to you? How do you use the Library? How has the Brandon Library impacted or made a difference in your life?**

Your story creates the Library's narrative! Come by so we can film you by March 30

and we'll compile a video to share what everyone has to say. Stop in for details, we want to hear from all ages!

Our compiled video will be played at the Friends of the Brandon Public Library Annual meeting on April 16 - everyone is invited to attend. Food will be provided. More information to come.

## Some State and Federal Tax Forms available at the Library.

## Craft Night: DATE CHANGE

Our Craft Night that was scheduled for February 26 has been **rescheduled for Monday, March 25**. We're designating time and supplies to be available at 2:00 pm AND 6:00 pm to come work on anything started. It doesn't matter if it's a past library craft or personal craft project started.

### REGISTRATION is required!

Let us know what time and any supplies you need—silhouette cutter, sewing machine, hot glue gun, iron, whatever the case, let us know. No charge, bring your craft supplies.

## LIBRARY DONATIONS AND NEW RESOURCES

In February, the Library received a grant from the FDL Area Foundation, "Brandon Public Library Fund" which was established by Harold and Grace Kurtz. Also, we were honored recipients of a Brandon Tanager donation from their Community Giving Campaign (pictured below: Christy Ross, Director, receiving a check from the 4H members). With these funds, the library is building onto their "Library of Things". We currently have STEM kits and LEGO sets available, but the library will also have games for all ages for checkout soon.

The library will throw a new game collection kickoff with a game night, when their ready for checkout, so stay tuned.
