

# JUNE NEWS *from the* LIBRARY

## BUILDING FROM YESTERDAY FOR TOMORROW—LIBRARY BREAKING GROUND ON EXPANSION PROJECT

**Brandon Public Library will hold a ceremony to commemorate the groundbreaking of its expansion project on Wednesday, June 19, 2024.**

### **What: Brandon Public Library Groundbreaking Ceremony.**

When: Wednesday, June 19, 2024 at 2:00 pm.

Where: Brandon Public Library 117 E. Main St. Brandon, WI 53919

The Brandon Public Library has served our community very well for 111 years. Being that the building was built for a different era (1897) to meet different needs, we've reached the point where our size and an outdated floor plan are unable to meet the growing demand for library services and diverse community needs.

The updated library will be a welcome destination exceeding expectations. We will be able to provide new services and modern conveniences to meet the changing demands of an increasingly tech-savvy population through improvements.

The modernized Brandon Public Library will honor the past while looking to the needs of the future - keeping the historic touch. The expansion will double the current space and is becoming a reality from the successful campaign and fundraising support.

Kunkel Engineering and Capelle Bros. and Diedrich, Inc. are the general contractors. A grand reopening is slated for late Summer 2025.

Thank you to all our donors supporting the Brandon Public Library.

### **RELOCATION**

During the Library Construction, the library will be temporarily relocating to the old United Methodist Church, 107 E. Washington St. Brandon, WI 53919, starting in late July.

We are looking for volunteers to help with the moving, setup in the new location. If you are interested or willing to help, please let the library know, so we can put you on a list for volunteers. Thank you.
