

From the Brandon Area Veterans Memorial Committee:

We would like to remind all veterans & family members there is a memorial for Veterans who served or are serving our country. The veterans name will be inscribed in granite in our beautiful memorial at the Brandon park!

Engraving costs are increasing, so if you're considering honoring a loved one who has, or is serving our country, now may be the time to add their name with the other comrades. Please contact any of the following:

Jim Otto: 920-517-1982

Pamela Sauer: 920-517-0894

Rick Peterson: 920-579-0495

Gary Henker: 920-346-2966
