GI ING TUESDAY

We warmly invite you to join us in supporting the Brandon Public Library’s mission to enrich lives through reading and learning by contributing to our Giving Tuesday campaign. Your generous donations will play a crucial role in updating our collection, allowing us to purchase a wide array of new books and DVDs that cater to individuals of all ages in 2025.

Donate to Brandon Public Library

Together, we can surpass last year’s fundraising total of \$1,000 and enhance our community’s access to valuable resources. By participating in this collective effort, you’ll be helping us foster a culture of lifelong learning and the joy of reading that benefits everyone. We sincerely thank you for considering a donation, as each contribution will make a positive difference in our library and the lives of those we serve. Follow the QR Code to donate to the Library today.
