WINTER WEATHER POLICY:

Safety is very important. Per our policy, we will close the library if the public schools in the area close. Sometimes we will close even when schools have remained open if it is predicted to become unsafe during the late afternoon/evening.

We will announce if we close on Facebook, our Facebook name is "Brandon Library" or our Facebook page is Brandon Public Library. Of course, always use your common sense as well...if the roads seem unsafe — stay home. We don't want staff or patrons in any unsafe conditions.

MOVIE MATINEE:

Rosendale-Brandon School District has no school on January 3, so join us at the library for a fun, family movie matinee. At 1:00pm, we'll be playing *The Sandlot*. In the summer of 1962, a new kid in town is taken under the wing of a young baseball prodigy and his rowdy team, resulting in many adventures.

Film is 1 hour 41 mins and rated PG.

Free S'MORES snacks provided.

EXPANSION UPDATE:

Foundations for the addition and ramp are poured. The whole project is still on schedule, however, the addition will not be enclosed by the end of December due to

a few days of nasty weather, basement repair, and other delays. However, the team from Capelle Bros. & Diedrich continue to make headway every day.
