BRANDON TANAGERS 4-H CLUB DONATES \$570 TO THE LIBRARY!

The library is thrilled to announce a generous donation of **\$570** from our local 4-H Club, the **Brandon Tanagers!** This contribution comes from their recent **Community Giving Campaign**, which aims to support local organizations and initiatives.

The 4-H Club has long been a pillar in our community, fostering youth development, leadership, and a strong sense of service. Through this campaign, the Club raised funds to help make a positive impact in our community—and the library is honored to be a recipient.

The library is committed to providing a welcoming space for learning, creativity, and connection, and this generous donation will help fund new programs, enhance our collections, and continue to serve the needs of our patrons.

A heartfelt thank you to the **4-H Club** and all the community members who supported their campaign. Together, we're making our community an even better place to live, learn, and grow!
