

EXCITING NEWS FROM THE LIBRARY: HELP US FURNISH THE FUTURE!

Thanks to the incredible support of our community, we're thrilled to share that construction on our newly renovated public library is nearly complete! This transformative project has been made possible by the dedication and generosity of our neighbors, donors, grants, and local partners—and now we're entering the exciting final phase: **furnishing the new space.**

As we look ahead to our grand reopening soon after construction projected to be done **September 26, 2025**, we're launching a **Furniture Campaign** to help bring the library to life with comfortable seating, functional workspaces, inspiring children's areas, and more. We want every visitor—from toddlers to teens to seniors—to feel welcomed, supported, and inspired the moment they walk through our doors.

We're especially excited to announce a **\$10,000 matching challenge** from longtime library supporters **Harold and Grace Kurtz**. Every dollar you donate to the furniture campaign will be **matched dollar-for-dollar**, doubling your impact and bringing us twice as close to our goal.

This is your chance to help shape the future of our community hub. Whether you give \$10 or \$1,000, your contribution will help create a space where learning, connection, and creativity thrive.

Stay tuned for more updates as we count down to opening day—and thank you for helping us turn our vision into reality!

Donate today and double your impact!
