### LIBRARY EXPANSION UPDATE – WE NEED YOUR HELP!

The long-awaited library expansion is almost complete, and we're excited to share that moving day is right around the corner! To make it all happen, we'll need **lots of boxes** and **volunteers** to help us pack, move, and set up.

Here's the plan:

- The library will be **closed October 13–25** to prepare for the move.
- Phone and internet service will be transferred the first week.
- Our **final State inspection is scheduled for October 15**. Once we receive approval, we can begin moving everything over on **October 16**.
- It's a tight turnaround, because everything needs to be unpacked, organized, and ready in time for our **Grand Reopening Celebration on October 25!**

If you'd like to volunteer your time, or if you have sturdy boxes to donate, please contact Christy at (920)346-2350 or [ross@brandonlibrary.net](mailto:ross@brandonlibrary.net). Every bit of help makes a big difference, and we can't wait to welcome you into the newly expanded library soon!

**\*\*\*NOTE:** The Library front door is still temporary and we are putting up a temporary front railing until the final one can get installed in mid-November.
