The Library is back on Main Street!

Grand Reopening Celebration a Huge Success!

On Saturday, October 25, the community came together to celebrate the grand reopening of our newly renovated and expanded library. It was a joy to welcome everyone back into the space and see so many familiar (and new!) faces exploring the bright, open areas, updated technology, and new features that make the library a true community hub.

If you haven't had a chance to stop in yet, we invite you to visit soon and see the transformation for yourself. The photos below capture just a bit of the excitement from the day—ribbon cutting, live music, great food, and plenty of smiles!

Now that the renovation is complete, our focus turns to what's next: new programs, events, and services for all ages. Be sure to follow our Facebook page and check our website for updates—we can't wait to share what's coming!

Thank you to everyone who helped make this project and celebration possible. The heart of this library has always been our community, and we're so excited to begin this next chapter together.
