113 YEARS — SAME LOCATION, BRAND-NEW CHAPTER

On **March 27**, our library will celebrate **113 years of service**, marking the day we first opened our doors in 1913. For more than a century, our library has stood in the same location, serving generations of families in our community.

This year's anniversary is especially meaningful. While we remain rooted in the same place, we are celebrating for the first time in our newly renovated and expanded library. Our updated spaces allow us to better serve you with improved accessibility, expanded collections, flexible programming areas, and welcoming spaces for readers of all ages.

Though our building has been refreshed, our mission remains the same: to provide free access to information, encourage lifelong learning, and serve as a gathering place for our community.

We invite you to stop in, explore the new space, and help us celebrate this exciting new chapter. Here's to 113 years — and many more to come!

**State and Federal Tax Forms
available at the Library.**

MARCH GAME NIGHTS AT THE LIBRARY

Join us this March for fun and friendly competition at the library! We'll be hosting **Game Nights from 5:00–7:00 PM** on March 4 and March 11. These will be open game nights — we'll have a variety of board and card games available, but you're welcome to bring a favorite from home to share.

Then on **March 18**, we'll turn up the excitement with a special **BINGO Night** during the same 5:00–7:00 PM time slot.

Snacks will be provided at all events. Bring a friend, bring your family, and come enjoy a relaxed evening of games and community fun at the library!
