

Public Notice – Sewer and Water Billing Update

As noted in the January 2026 newsletter, the Village's current sewer and water billing program has been discontinued. As a result, the UBPay online payment portal is no longer available, and the Village's new billing program does not include an online payment portal.

All credit card payments must now be made through the following secure payment site:
<https://payments.allpaid.com/#/payment/7404/info>

Additional payment options include cash or check in person at Village Hall, by mail, or via the drop box located at Village Hall.

ACH enrollment forms are available on the Village website at:
www.villageofbrandon.com

We appreciate your understanding during this transition. If you have any questions, please contact Village Hall for assistance.
