DIVE INTO SUMMER READING AT THE LIBRARY

Our 2026 Summer Reading Program officially begins June 8 and runs through July 11, and this year we're making a splash with an underwater theme! There are three exciting ways to participate this summer:

Reading, Tickets & Prizes

Stop into the library to pick up your reading ticket log. For every 30 minutes you read, mark off a section on your ticket. Each ticket is completed after 5 hours of reading.

Once your ticket is filled, bring it back to the library to get another ticket, plus we'll attach completed tickets to our giant jellyfish display — we'll watch our jellyfish grow all summer long as the community reads together!

Every completed ticket also earns you:

- An entry into the grand prize drawing for the prize of your choice
- An instant prize when you turn your ticket in

We have some incredible prizes lined up this summer, and winners will be drawn at the end of the program.

Special Summer Programs

Join us each week for fun, free programs connected to our underwater summer theme:

Every Thursday during June, July, and August:

Miss Mary will be at the library for Storytime all summer long! Join us each week for stories, fun, and activities for young readers.

- **June 17 at 2:00 PM (Library):** Rich Baumann — children's folk music singer and songwriter
- **June 24 at 2:00 PM (Depot Park; weather location at the library):** The Bubble Lady — giant bubbles, bubble tricks, and hands-on fun
- **July 1 at 2:00 PM (Library):** J&R Aquatic Animal Rescue — see, touch, and learn about reptiles, plus meet animals that may even be up for adoption
- **July 8 at 2:00 PM (Library):** Fond du Lac County Dive Team — learn what they do, how they train, and explore the equipment they use

Passport Adventures Returns!

We're also excited to once again participate in Passport Adventures through the Winnefox Library System from June 1 through August 15. Visit as many participating libraries as you can, collect passport stamps, and enter to win even more great prizes!
