NEW 3D PRINTER NOW AT THE LIBRARY!

The Brandon Public Library is excited to introduce our new **Bambu Lab 3D printer**, made possible through a generous donation from **Harold and Grace Kurtz**. This state-of-the-art printer is faster, more reliable, and capable of creating incredible projects for patrons of all ages.

Whether you're curious about how 3D printing works, have an idea you'd like to bring to life, or simply want to see the technology in action, stop by the library! We'd be happy to show you what it can do—and maybe even print something just for you.

Thank you, Harold and Grace Kurtz, for your continued generosity and support of our library and community.

SUMMER READING MAKES A SPLASH!

Our **Dive into Summer Reading** program was another fantastic success! Thank you to everyone who participated, read books, and attended our special events. This summer featured folk singer **Rich Baumann**, reptiles from **J&R Aquatic Animal Rescue**, an unforgettable presentation by **Sergeant Logan Will and the Fond du Lac County Dive Team**, and a fun-filled finale with **The Bubble Lady**.

The adventures continue through **August 15** with **Winnefox Passport Adventures**. We've already welcomed more than **100 visiting patrons** to the Brandon Public Library. If you haven't picked up your passport yet, there's still time to join the fun!

Thank you for making this another memorable summer at the Brandon Public Library!

LIBRARY BRAT FRY

Join the Friends of the Brandon Public Library for our annual **Brat Fry at Depot Park!**
